3rd April 2019

Dear Parents/Guardians

With the academic year coming to an end I would like to invite you to a **very important meeting** in the school with regard to your child's specific age group. This meeting will explain expectation for the 'Step up' to the next academic year ahead that requires planning and discussion at home-Tus maith leath na hoibre!! The Junior Cycle is very different to what older children have experienced and knowledge is power on how to support.

We have also developed a partnership with the local Gardai to support you and your teenagers as they face significant holiday periods much of which may be unstructured and involve your teenager being in urban settings. With social dynamics resulting in many parents being at work during the school holiday periods parents often report stress around the area of managing their children's free time from a distance. There is no doubt that there has been a rise in anti-social behaviour in many of the local urban areas and it is essential we all do what is necessary to ensure our children are safe and have a positive experience of the holidays.

I would urge that **every house** be represented at these meetings and for that reason I have put on two nights for your convenience.

Dates: Monday 8th April and Tuesday 9th April 2019.

Time: 7.30pm sharp to 8.30pm

Yours sincerely

Anne Marie Mc Carrick
